Dale E. Artfitch Sportsmanship Award 2024

Dale Artfitch was a 4-H member in Go Karts for many years. In addition, he was a member of the Finderne Rescue Squad and instrumental in helping form the EMS Angels of Central New Jersey. While he enjoyed racing his go-kart and riding his motorcycle, his passion was helping others.

On July 3, 2009, Dale entered eternal rest. Dale will always be remembered as a true friend to many-willing to help anyone, at any time, at any cost to himself.

4-H was an important part of Dale's life, and his friends and family are still involved. They have asked to honor his memory by recognizing a 4-H member, 8th grade and older who exemplifies the following qualities as nominated for by their peers.

*Character is measured by everything you do
and everything that you don't do.*

“Make the Best Better” in all your 4-H actions.

Set a good example.

Play by the rules.

Open your mind– listen and learn.

Respect.

Think before you act.

Show perseverance.

Make sure to take responsibility and be honest.

Always show gratitude.

Never express anger towards your project, or others.

Six pillars of character trustworthiness, respect, responsibility, fairness, caring, and citizenship

Help portray a positive image for 4-H.

Integrity – always demonstrating positive behavior.

Performance in 4-H is about being a CHAMPION member, not having the champion project.
