

## Looking Back

This section is to be completed at the end of the project year. It is meant for you to determine what you learned and gained during this year. This section deals with your goals accomplished and three most important things learned.

### Goals Accomplished

Look back on the goals you set yourself at the beginning of the year. How well did you accomplish these goals? Did you achieve them all or fall short on some of them? Use this table to explain how well your goals were completed.

My Goals For This Year	Was it Reached?	If yes, How was it reached? If not, Why not?
<i>Example: I will learn how to give a public presentation</i>	YES	<i>I attended a county public presentation workshop. I had to change my topic three times before I could do well with it. I should have practiced my presentation more before I gave it to my club. I will try again next year.</i>

### The three most important things I learned

List the three most important things you learned in this project this past project year.

The Three most important things I learned this 4-H year were....
1.
2.
3.
