Keeping Track of What I Do

For this section, it is best to write down what you have done immediately after finishing it so you will not forget important events and activities. This is the section of the record book where you record what you did throughout this 4-H year. It is important to keep a record of what you did in case you ever need to reference a certain event or activity.

Events that should be included in this record:

- Events participated in
- Special meetings & clinics
- Community Service
- County 4-H Fair
- Shows & Competitions
- Public Speaking

Every record should contain the following

- Date: The date the event was held
- Name of the Event
- What was done: What did the member do and learn at the event
- Level: Whether the event was held at the Club, County, State, Regional, or National levels

Example:
